

LOCAL GOVERNMENTS TERMS OF SERVICE ACCEPTANCE FORM

As set forth in Ordering Paragraph 5 and Section 8 of Decision (D.) 14-05-016 of the California Public Utilities Commission, eligible local governments requesting aggregated and anonymous energy usage data pursuant to the Decision must expressly agree to the terms of service set forth below, prior to receiving any such data. By signing this form, the local government listed below acknowledges and agrees to the following terms of service:

- a. The local government agrees to use the data for the purposes stated in the request.
- b. The local government agrees not to release the data to another third party or publicly disclose the data.
- c. Prior to the release of any data to a requesting local government, San Diego Gas & Electric Company must inform the Executive Director of the Commission via a formal letter four weeks in advance of the proposed transfer. The letter shall contain the following information:
 1. The purpose identified by the local government requesting data.
 2. A description of the data requested and to be released.
- d. The local government agrees to immediately notify the Commission and the utility, in writing, of any unauthorized access or disclosure of the data.
- e. The local government agrees to require all agents, contractors, consultants, or other representatives of the local government that are not employees of the local government to agree to and execute the Non-Disclosure Certificate attached to this agreement, and to provide the utility with copies of all such Non-Disclosure Certificates, prior to any disclosure or use of the data by such agents, contractors, consultants or other representatives.
